

## Sotheby's to Offer 104ct. Yellow Diamond in Geneva

A 103.62-carat, yellow diamond ring is expected to bring in up to CHF 3.6 million (\$4.1 million) at an upcoming Sotheby's auction in Geneva.

The claw-set, cushion modified brilliant-cut, fancy-intense-yellow diamond ring, named the Love Stone, is among several colored diamonds and gems that will star in the Magnificent Jewels and Noble Jewels sale, which will take place from November 6 to 8, the auction house said last week.

Sotheby's had already revealed some of the event's highlights, including a single-owner collection of [Viennese imperial and royal jewels](#) featuring more than 200 lots for its November 6 and 7 sales, and a rare 93.94-carat [Paraiba tourmaline](#) for its November 8 auction.

Here are some of the top items [on offer on November 8](#):
