

Stanley Zale Joins Hill & Co. as Principal Consultant

Former Stuller executive Stanley Zale has taken on the role of principal consultant at Hill & Co.

Zale [left his position](#) as vice president for diamond and gemstone procurement at Stuller earlier this month following 17 years there. He is the first male addition to the Hill & Co. team.

“Last year saw a marked increase in the number of diamond businesses joining the Hill & Co. client list,” said Hill & Co. CEO Elle Hill. “Adding the deep industry expertise, network, and savvy that Stanley brings to the table to our existing SWAT [special

weapons attack team]...of innovators and experienced specialists in strategy, execution planning, technology, operations, marketing and client acquisition will benefit all our clients.”

Hill & Co. creates and implements growth strategies for the diamond, gemstone and jewelry industry.
